

How to pay for services with a credit card

How to make a payment on an invoice

You will receive a link by e-mail. Follow this link to get to a special secure payment page of the processing system BePaid.

The payment page contains an order number and an amount of payment. To make a payment you need to enter your card data and confirm the payment by clicking the "pay" button.

If your card supports 3-D Secure technology, you will be suggested to undergo a quick standard verification of the card owner identity on the web-site of your bank (the bank that issued your card).

Please note that after making a payment the payment confirmation will come to your e-mail (Place / link check sample - cash voucher or electronic check which will be available after the test payment).

Please save the payment data.

We accept payments by the following credit cards: Visa, Visa Electron, MasterCard, Maestro, Belcard

Payments by credit cards are made through the electronic payments system bePaid.

The system's payment page meets all requirements of data transmission security (PCI DSS Level 1). All the confidential data is stored in an encrypted form and maximally resistant to cracking.

[Http://belkart.by/BELKART/news/2014/payment-belcard-in-the-internet/](http://belkart.by/BELKART/news/2014/payment-belcard-in-the-internet/) - here you can see the description of the way of payment by Belcard credit card.

Solution of disputes

If you have any questions, you can always contact us by calling this telephone number +375 (29) 6712633 or send us an e-mail (Info@wellnuts.by).

Refunds

If you have made the payment by credit card money will be refunded to the same credit card. If you want to return previously transferred amount of money it is necessary to send us an e-mail (info@wellnuts.by).

Transaction security

Data transmission is carried out on a separate channel using actual encryption methods. It excludes any possibility of interception of confidential information. Data is transmitted in encrypted form and stored only on the specialized server of the system bePaid.

Important: After making a payment using credit card save the received checks (confirmation of payment). You need this for reconciliation with the card account statement (for the purpose of confirmation of operations committed in case of controversial situations).

The minimum order amount is 30\$ at the rate of National Bank of the Republic of Belarus on the date of payment.

How to order services on the site

Customer sends Contractor an application for development by e-mail (Contractor's e-mail: sales@wellnuts.by, info@wellnuts.by or Info@wellnuts.cz). In your application you should describe an approximate list of work that should be done and specify requisites of Customer.

While Customer sends e-mail in accordance with Clause 1.5 of the Contract, Customer accepts the terms of the Contract (clause 3 of Article 408 of the Civil Code of the Republic of Belarus).

Contractor confirms application of Customer contacting by phone number, e-mail or skype. In case of no confirmation of the application by Contractor within 5 (five) working days, the application is considered to be canceled.
